## AT COUNCIL ON AGING (COA).....

we strive to improve the quality of life for older adults of St Johns County by helping them remain healthy, vibrant, and active in their own homes for as long as possible.

## OUR MISSION

Lead and advocate for the dignity, independence, health and community involvement of older St Johns County residents.

## TAX DEDUCTIBLE

St Johns County Council on Aging (COA) is a 501 (c)(3) nonprofit organization, so your donation is tax deductible.

## OUR POLICY

COA will not sell, share, or trade our donors' names or personal information, including email, phone number, and physical address with any other entity, nor send mailings to our donors on behalf of other organizations. This policy applies to all information received by COA, both online and offline, as well as any written, oral, or electronic communication.

Once families have experienced the compassionate care and support provided by COA, they are often eager to give back and find a way to say "Thank You!" There are many ways your appreciation can help further our mission to continue providing our programs and services to older adults in St Johns County.
